

**ATTN: KROGER EMPLOYEES
RE: DIRECT DEPOSIT**

Unfortunately Kemba no longer has the access to set up your direct deposit.

Effective July 20th, 2009 Kroger will not process your financial institution's direct deposit form!

What can you do?

- 1.** Kroger offers a great tool in being able to manage this called Express HR.
 - It is available 24 hours a day
 - Go to www.Kroger.com
 - Go to bottom of page where the company information column is located.
 - Find the Express HR link
 - You will need your Enterprise User ID, as well as your password.
- 2.** If you need help navigating the system, call toll 1-800-952-8889, after the computerized prompt, dial 47.
