Kemba Access Line KAL Instructions 24/7 Access

KEMBA Access Line

Kemba Delta offers you access to your accounts 24/7. The Kemba Access Line converts almost any touch tone phone into an automatic teller, allowing you to do many of your everyday financial transactions by phone.

Convenience

Imagine being at work or traveling out of town and needing access to your Kemba Delta accounts. Or maybe it's late at night, and you realize you need to transfer funds or verify an account balance. Your Kemba Access Line (KAL) can do all that for you and much more.

Security

The Kemba Access Line (KAL) is as safe as conducting transactions at the Kemba Delta branch. All your touch tone transactions are kept strictly confidential. Only you will know your personal access code number. (For more protection, do not give your personal access code number to anyone.)
